HOME DEPARTMENT.

ESTABLISHMENTS.

Simla, the 23rd September 1922.

No. F.-67-III-Ests.—The following announcement by the Secretary of State, dated the 23rd September 1922, is published for general information :—

The Royal Commission on the Public Services in India, who considered *inter alia* the pensionary conditions of the various civil services of the Government of India, recommended that the 4 per cent deductions made from the pay and certain other emoluments of members of the Indian Civil Service as a contribution towards their annuity of £1,000 a year on retirement, should be funded for the benefit of the individual officers, subject to the proviso that the concession should not operate retrospectively in respect of deductions already made. This recommendation was approved by the Secretary of State in Council, with effect from the 1st April 1919. The deductions made from that date have accordingly been set aside in a Provident Fund, the accumulations in which, with compound interest, will be handed over to the officer on retirement, or to his legal representatives if he should die before retirement. No alteration has been made in the annuity itself, and an officer entering the service on or after the date mentioned will receive his annuity entirely at the expense of the State.

2. Since the decision was announced various memorials have been received by the Government of India and the Secretary of State praying for some extension of the 'funding concession' so as,—

(1) to allow of somewhat larger benefits than are admissible under it to officers who entered the service before 1st April 1919 and who will therefore have contributed in varying degrees to their annuities, and

(2) to secure some benefit to officers who had actually retired before that date. It was pointed out that whereas under the recommendations of the Public Services Commission members of other civil services in India who retired after the 23rd July 1913, were permitted as from 1st April 1919, to draw the full unbarred pensions sanctioned for those services, members of the Indian Civil Service received less favourable treatment in two respects :—

Firstly, those who retired between 1913 and 1919 received no benefit;

Secondly, those who retired in years immediately following 1919 would receive only the small sums resulting from their pay as from April of that year while the full benefit of the change would accrue only to those who entered the service after that date

The Secretary of State in Council has now been pleased to sanction refunds to the following extent of the individual contributions towards annuity made by members of the service before the 1st April 1919 when the funding concession came into effect, viz. :—

A. Officers who retired at any date from 24th July 1913 to 31st March 1919, inclusive, to receive a grant of £500, officers who retired in 1919-20 to receive a refund of £480, and so on, the amount being reduced by £20 with each year until 1943-44, in which year officers retiring would receive nothing.

B. In the case of invalid and proportionate pensioners, the refunds specified in A will be proportionately reduced.

C. The cases of officers who have already retired or who may hereafter be retired, on reduced Annuities will be individually considered on their merits.

D. In the case of officers who have retired and died since 23rd July 1913 payment of the sums which would have been admissible to the officers if now living will be made to the legal representatives.

E. In the event of an officer who was in the service on the 23th July 1913, or who entered it between that date and 31st March 1919, inclusive, having died or dying, before retirement, payment will be made to his legal representatives of any refund which would have been admissible to him under the terms of this announcement if he had been invalided at the date when his death occurred.

F. The amounts payable under this decision to officers already retired or to their legal representatives will be issued by the High Commissioner for India, or the Government of India, as the case may be, according as the Annuities have been drawn in England or in India, respectively.

G. To officers already retired the refund will be payable as soon as arrangements can be made. To those still in the service payment will be made on retirement. No application need be made by the Officer. In both classes of cases no interest whatever will be payable.

H. Where an officer wishes to draw the refund in rupees the sterling amount payable will be convertible into rupees at the rate of exchange current at time of payment.

Amendment of definition of natural-born British subject.

1. Section one of the principal Act (which contains the definition of a natural-born British subject) shall be amended as follows:—

(1) The following paragraph shall be substituted for paragraph (b) of sub-section (1):—

"(b) Any person born out of His Majesty's dominions whose father was, at the time of that person's birth, a British subject, and who fulfils any of the following conditions, that is to say, if either—

(i) his father was born within His Majesty's allegiance; or

(ii) his father was a person to whom a certificate of naturalisation had been granted; or

(iii) his father had become a British subject by reason of any annexation of territory; or

(iv) his father was at the time of that person's birth in the service of the Crown; or

(v) his birth was registered at a British consulate within one year or in special circumstances, with the consent of the Secretary of State, two years after its occurrence, or in the case of a person born on or after the first day of January, nineteen hundred and fifteen, who would have been a British subject if born before that date, within twelve months after the first day of August, nineteen hundred and twenty-two"; and

(2) The following shall be inserted at the end of sub-section (1):

"Provided also that any person whose British nationality is conditional upon registration at a British consulate shall cease to be a British subject unless within one year after he attains the age of twenty-one, or within such extended period as may be authorised in special cases by regulations made under this Act—

(i) he asserts his British nationality by a declaration of retention of British nationality, registered in such manner as may be prescribed by regulations made under this Act; and

(ii) if he is a subject or citizen of a foreign country under the law of which he can, at the time of asserting his British nationality, divest himself of the nationality of that foreign country by making a declaration of alienage or otherwise, he divests himself of such nationality accordingly."

Consequential amendment.

2. At the end of sub-section (1) of section twenty-seven of the principal Act the following words shall be inserted:—

"The expression 'British Consulate' means the office of any British consular officer where a register of births is kept, and includes, in the case of any territory wherein there is no British Consulate and there is a British resident or other representative of His Majesty, the office of such resident or representative."

4 and 5 Geo. 5 c. 17 5 & 9 Geo. 5, c. 21.

Interpretation, short title, and printing.

3. (1) In this Act the expression 'the principal Act' means the British Nationality and Status of Aliens Act, 1914, as amended by the British Nationality and Status of Aliens Act, 1918

(2) This Act may be cited as the British Nationality and Status of Aliens Act, 1922, and the principal Act, the British Nationality and Status of Aliens Act, 1918, and this Act may be cited together as the British Nationality and Status of Aliens Acts, 1914 to 1922.

(3) Every enactment and word which is directed by this Act, to be substituted for or added to any portion of the principal Act, shall form part of the principal Act in the place assigned to it by this Act; and the principal Act, and all Acts, including this Act, which refer thereto shall, after the commencement of this Act, be construed as if the said enactment or word had been enacted in the principal Act, in the place so assigned, and where it is substituted for another enactment or word had been enacted in lieu of that enactment or word.

A copy of the principal Act, with the amendments, whether by way of substitution, addition or omission, required by this Act, shall be prepared and certified by the Clerk of the Parliaments and deposited with the Rolls of Parliament, and His Majesty's printer shall print, in accordance with the

copy so certified, all copies of the principal Act, which are printed after the commencement of this Act.

(4) A reference in any enactment (whether passed before or after the passing of this Act), or in any document to the British Nationality and Status of Aliens Act, 1914, shall, unless the context otherwise requires, be construed to refer to that Act as amended by any enactment for the time being in force.

No. F.-111-Jails.—In consequence of the recommendations of the Indian Jails Committee the Government of India, after consultation with local Governments, are pleased to announce their decision that the definition of the term "habitual criminal", contained in paragraph 5 of the Home Department Resolution No 27-1904-14, dated the 14th December 1836, shall be superseded and the following rules defining and prescribing the treatment of the "habitual criminal" shall now be enforced :—

I.—The following persons shall be liable to be classified as "habitual criminals", namely :—

(i) any person convicted of an offence punishable under Chapters XII, XVII and XVIII of the Indian Penal Code, whose previous conviction or convictions, taken in conjunction with the facts of the present case show that he is by habit a robber, housebreaker, dacoit, thief, or receiver of stolen property, or that he habitually commits extortion, cheating counterfeiting coin, currency notes or stamps, or forgery ;

(ii) any person convicted of an offence punishable under Chapter XVI of the Indian Penal Code, whose previous conviction or convictions, taken in conjunction with the facts of the present case, show that he habitually commits offences against the person ;

(iii) any person committed to or detained in prison under section 123 (read with section 109 or section 110) of the Code of Criminal Procedure ;

(iv) any person convicted of any of the offences specified in (i) above when it appears from the facts of the case, even although no previous conviction has been proved, that he is by habit a member of a gang of dacoits, or of thieves or a dealer in slaves or in stolen property;

(v) any member of a criminal tribe, subject to the direction of the local Government concerned;

(vi) any person convicted of an offence and sentenced to imprisonment under the corresponding sections of the Indian Penal Code and the Code of Criminal Procedure as applied by order under the Indian (Foreign Jurisdiction) Order in Council, 1902, or by the authority of any Prince or State in India;

(vii) any person convicted by a court or tribunal acting outside India under the general or special authority of His Majesty of an offence which would have rendered him liable to be classified as a habitual criminal if he had been convicted in a court established in British India.

Explanation.—For the purposes of this definition the word "conviction" shall include an order made under section 118, read with section 110, of the Criminal Procedure Code.

II.—The classification of a convicted person as a habitual criminal should ordinarily be made by the convicting court, but if the convicting court omits to do so, such classification may be made by the District Magistrate, or, in the absence of an order by the convicting court or District Magistrate, and pending the result of a reference to the District Magistrate, by the officer in charge of the jail where such convicted person is confined:—

Provided that any person classed as a habitual criminal may apply for a revision of the order.

III.—The convicting court or the District Magistrate may, for reasons to be recorded in writing, direct that any convicted person or any person committed to or detained in prison under section 123 read with section 109 or section 110 of the Code of Criminal Procedure, shall not be classed as a habitual criminal and may revise such direction.

IV.—Convicting courts or District Magistrates as the case may be, may revise their own classifications, and the District Magistrate may alter any classification of a prisoner made by a convicting court or any other authority provided that the alteration is made on the basis of facts which were out before, such court or authority.

NOTE.—The expression "District Magistrate" wherever it occurs in paragraphs II, III and IV above means the District Magistrate of the district in which the criminal was convicted, committed or detained. The expression includes a Presidency Magistrate.

V.—Every habitual criminal shall as far as possible be confined in a special jail in which no prisoner other than habitual criminals shall be kept:

Provided that the Inspector-General of Prisons may transfer to this special jail any prisoner, not being a habitual criminal, whom, for reasons to be recorded in writing, he believes to be of so vicious or depraved a character and to exercise, or to be likely to exercise, so evil an influence on his fellow prisoners that he ought not to be confined with other non-habitual prisoners, but a prisoner so transferred shall not otherwise be subject to the special rules affecting habitual criminals.

EMIGRATION.

Simla, the 20th September 1920.

No. 504 Emi.—In the Government of India, Department of Commerce and Industry, Resolution No. 64-E. D., dated the 12th January 1917, a procedure for the entry into the Union of South Africa of the wives and minor children of Indians, who had left the Union on a visit to India before the promulgation of the Resolution by the Government of India, Department of Commerce and Industry, No. 6759 8774-24, dated the 3rd September 1914, was prescribed at the instance of the Government of the Union of South Africa. The Union Government now consider that, as the procedure laid down by the Resolution of 3rd September 1914 has been in existence for eight years, sufficient time has been allowed for all Indians who were absent from the Union at that time to have returned to South Africa. They have, therefore, requested the Government of India to cancel the Resolution of the 12th January 1917 and to prescribe that the claims of Indians, for the admission into the Union of their wives and minor children, should be dealt with in accordance with the procedure laid down in the Resolution of 1914. The procedure adopted in that Resolution is briefly as follows:—

(1) The husband or father resident in the Union should apply in the prescribed form to the Immigration Authorities or to the local Magistrate for a certificate that he is at liberty to bring in his wife or children from India;

(2) This certificate, when obtained, should be transmitted by him to his wife or children in India, together with his application for a certificate of relationship, for production before the principal local Magistrate in India;

(3) After local enquiry, the principal local Magistrate should issue a certificate of relationship in the prescribed form.

2. The Union Government have further suggested that persons, who may, while on a visit to India, desire to take their wives and children back with them to South Africa but have failed to obtain the proper form (D. I. 91) before leaving the Union, should be instructed by a Magistrate in

India to communicate their desire to the Principal Immigration Officer of the Province of the Union to which they are returning. These officers will despatch the requisite forms on receipt of such applications where the applicant is the holder of a current certificate of identity, which all Indians leaving the Union are required to possess, and provided the Principal Immigration Officer is satisfied that the case is a genuine one. The Principal Immigration Officers concerned should be addressed at The Point Natal (for the Province of Natal and the Orange Free State) at Post Office Box 6, Cape Town (for the Province of the Cape of Good Hope) and at Post Office Box 244, Pretoria (for the Province of the Transvaal).

3. The Government of India have decided that the Resolution of 12th January 1917 should be cancelled and that the procedure described in the two preceding paragraphs should be observed in future.

70. The written notice prescribed under section 33 of the Act shall be in Form E.

71. In every factory there shall be correctly kept an up-to-date register in Parts I to IV in Form D appended to these rules of all persons employed therein. This register shall show the normal day's work specifying the hours within which each employee is to be employed and shall be re-written afresh from January 1st each year. It shall be available for inspection during working hours.

Note.—Where the hours of work for any worker are the same for every day in the week, only one set of columns 6 to 14 in Parts I and II and 6 to 9 in Parts III and IV should be used. If however the hours are different on any day in the week, e.g., Saturday, those hours must be entered in the additional set of columns 11 to 17 of Parts I and II and 10 and 11 of Parts III and IV putting down the symbols M to F (Monday to Friday) over the first set of columns and S (Saturday) above the second set.

72. The notice and return prescribed under section 36 of the Act shall be in Form G.

Accidents.

Section 34 *and Section* 37 (2) (*b*).

73. Notices of accidents resulting in death or causing such severe injury that there is no reasonable hope that the injured person will be able to return to work within 48 hours, shall be sent by telegram, telephone or by special messenger within 4 hours of the occurrence to—

(i) The Inspector, and

(ii) the Commissioner of Police, if the accident has occurred within the limits of the City of Madras; and the District Magistrate or if he by general order so directs, the Subdivisional Magistrate, if it has occurred outside those limits.

74. In case of any accident resulting in death, notice shall also be sent within the same time and by similar agency to the officer in charge of the police station for the area in which the factory is situated.

75. If the notice is sent by special messenger, it shall be in Form K, and if it is sent by telegraph or telephone, it shall be confirmed by a written report in that Form.

76. Notices of accidents of a minor character, but which nevertheless prevent the injured person from returning to work within 48 hours of the occurrence, shall be given in the same Form K within 24 hours of the expiry of that time to the authorities mentioned in Rule 73.

77. If the Inspector has reason to believe that a fatal or serious accident has occurred in any factory, whether he has received a notice under Section 81 of the Act or not, the Inspector shall proceed to make an investigation either by himself or in co-operation with any official deputed by the District Magistrate or the Police authorities, or with both, in order to determine as soon as possible the cause of and responsibility for the accident. If it should be found that the death or serious injury resulted from the occupier or manager of the factory or other person having neglected to observe any provision of this Act or rule or order made thereunder, the Inspector shall, if he considers that a prosecution should be instituted under the Act, give the previous sanction in writing required by Section 45, and forward the same to the District Magistrate or the Commissioner of Police with request that a prosecution may be instituted. If the Inspector considers that action should be taken under the Indian Penal Code, he shall record his opinion and send it to the District Magistrate or the Commissioner of Police for such action as he may think fit.

At the same time he shall record his opinion whether, if in the event of the accused being convicted and fined, any portion of the fine recovered should be given to the person injured or his dependents by the Court in the manner contemplated by Section 43A of the Act or under Section 545 of the Criminal Code, as the case may be.

78. In every factory in which the total number of persons employed is 500 or more, there shall be maintained, in readily accessible positions, first aid appliances, containing an adequate number of sterilized dressings and some sterilized cotton wool. The appliances shall be kept in good order and shall be placed under the charge of responsible persons who shall be readily available during working hours.

80. On receipt of the memorandum of appeal the appellate authority shall, if it thinks fit, or if the appellant has requested that the appeal should be heard with the aid of assessors, call upon the body, if any, declared to be the body representative of the industry concerned under sub-section (5) of Section 50 of the Act, to appoint an assessor within a period of 14 days. If an assessor is nominated by such body, the appellate authority shall appoint a second assessor itself. 83. The Inspector shall maintain a register of all factories under his charge in Form L. On receiving a notice under Section 33 of the Act, the Inspector shall, unless it appears to him that the premises do not constitute a factory, place the factory on his Register of Factories.

84. When the Inspector has reason to believe that any premises situated within the local limits for which he is appointed and not already registered as a factory ought to be included in his register he shall send to the occupier of the premises a notice intimating his intention of placing such premises on his Register of Factories.

85. Any person served with a notice under Rule 84 may, within 30 days of the receipt of such notice, forward to the Inspector a statement setting forth his objections to the registration of his premises as a factory. The Inspector shall consider and dispose of such objections after making such enquiry as he may deem necessary, and shall communicate his decision to the person concerned.

86. When any premises cease to be occupied as a factory, the occupier may give notice of the fact to the Inspector, who shall, if satisfied that the Act is no longer applicable to such premises, remove them from his Register of Factories. The Inspector may without such notice of his own motion at any time remove any factory from his register if satisfied that it is no longer used as such.
